

**ILRS Virtual World Tour 2020
November 2-6, 2020**

Second Circular

Schedule:

Monday, November 02:

12.30-13.00 UTC Opening Session
13.00-15.00 UTC Tour of Graz, Austria

Tuesday, November 03:

13.00-15.00 UTC Tour of Zimmerwald, Switzerland

Wednesday, November 04:

06.00-08.00 UTC Tour of Simosato, Japan

Thursday, November 05:

17.00-19.00 UTC Tour of Greenbelt MD, USA

Friday, November 06:

10.30-12.30 UTC Tour of Yarragadee, Australia
12.30-12.40 UTC Closing session

Each two-hour session will consist of an introductory presentation about the station followed by a tour of the site highlighting instrumentation, software, safety, automation, operations, as well as current issues and future plans. These tours will include a mixture of pre-recorded and live presentations with an opportunity for questions.

Registration:

Attendees will be required to register for each session they plan to attend. Registration will be available through the workshop website shortly.

Logistics:

We are planning to use Microsoft Teams for these virtual meetings. More information about this software is available at:

<https://www.microsoft.com/en-us/microsoft-365/microsoft-teams/free>

An invitation URL for joining each session will be distributed to registered attendees.

Workshop Organizers:

Toshimichi Otsubo/Hitotsubashi University
Randall Carman/Geoscience Australia
Evan Hoffman/NASA GSFC
Carey Noll/NASA GSFC

Michael Pearlman/CfA
