**Registration:**

Registration for the virtual tours is now open. Attendance for each session will be limited to 250 connections and will be available on a first come, first served basis. We encourage group attendance where possible; only one person is required to register for the group. Interested parties can register at:

[https://cdis.nasa.gov/ILRS\\_Virtual\\_World\\_Tour\\_2020/Registration/](https://cdis.nasa.gov/ILRS_Virtual_World_Tour_2020/Registration/)

Attendees are required to register for each session they plan to attend. There is no fee for registering and attending any of the tours. Registration will be closed on October 26, 2020.

**Logistics:**

We are planning to use Microsoft Teams for these virtual meetings. More information about this software is available at: <https://www.microsoft.com/en-us/microsoft-365/microsoft-teams/free>. An invitation URL for joining each session will be distributed to registered attendees.

**Workshop Organizers:**

Toshimichi Otsubo/Hitotsubashi University	Michael Pearlman/CfA
Randall Carman/Geoscience Australia	Daniela Thaller/BKG
